THIRD CIRCULAR FOR ICES20 – Extension of Deadline for Call for Panels

15 May 2017

Dear Potential Participants of ICES20,

Due to some requests, we would like to inform the potential panel organisers that **we have decided to extend the deadline for Call for Panels to 31 May 2017.**

We would also like to use this opportunity to remind you that **this is Call for Panels, and not Call for Abstracts for individual presentations.** Panels are sub-groups of several presentations under a similar theme, and all the presentations would be made under one of the panels. Call for Abstracts (for individual presentations) will be announced after the panels are selected (expected to be early July 2017.)

For details on Panel Submission, please refer to the second circular:

[http://www.ices20-mu.org/circulars/ICES20\\_Circular02.pdf](http://www.ices20-mu.org/circulars/ICES20_Circular02.pdf)

Although we have already received many interesting panel proposals, we are looking forward to receiving more panel suggestions on a wide range of topics!

Please feel free to contact the organizing committee at [ices20@mu.edu.et](mailto:ices20@mu.edu.et) for questions.
